Oct 14, 2019 · The Camaro's automatic transmission, on the other hand, has eight speeds and is estimated to get 25 mpg in mixed driving — an 8.7% improvement. Myth 2. Manual cars cost less than the same model ...

Sep 16, 2021 · C4 Corvettes For Sale: The fourth generation C4 Corvette was the first complete redesign of the Corvette since 1963. Production was to begin for the 1983 model year but quality issues and part delays resulted in only 43 prototypes for the 1983 model year being produced that were never sold. All of the 1983 prototypes were destroyed or serialized to 1984 except one.

The only real decisions for enthusiasts: should you choose the 6-speed manual transmission or the new electronically controlled 4-speed automatic. Both are perfectly matched to the high torque characteristics of the LT1 V8. As for horsepower, the LT1 makes 300 at 5000 rpm. ...
