1998 by Warner Books.. The novel revolves around a plot to retrieve the buried treasure of nefarious pirate Red Ned Ockham. The treasure, which is estimated to be worth close to two billion dollars, reputedly includes "St. Michael's Sword", a weapon with the power to kill anyone who looks at it.

Ditto for Kraftwerk. I get that they were an early influence on electronica, which is a post-rock genre of music, but they weren't around long enough ago to be an early influence on rock. They made the right call on Billy Preston and Randy Rhoads, though. Both were great sidemen, although I'd have loved to see Preston get in as a performer.

Constance Greene is the ward and amanuensis of Special Agent Pendergast. First mentioned in only vague, mysterious terms in *The Cabinet of Curiosities* and *Still Life with Crows*, she was finally introduced during the events of *Brimstone*. Constance is described as thin with violet eyes and mahogany-colored hair cut in a stylish bob. She appears to be in her twenties. Some have ...
