From Triple to Quadruple Aim: Care of the Patient Requires ...

The Triple Aim—enhancing patient experience, improving population health, and reducing costs—is widely accepted as a compass to optimize health system performance. Yet physicians and other members of the health care workforce report widespread burnout and dissatisfaction. Burnout is associated with lower patient satisfaction, reduced health outcomes, and it may increase costs.

The title should be centered at the top of page 1 (DO NOT use a title page - it is a waste of paper for our purposes); the title is NOT underlined or italicized. the authors' names (PI or primary author first) and institutional affiliation are double-spaced from and centered below the title. When more than two authors, the names are separated ...
